

O-rings for HYDROGEN STATION

Hydrogen-resistant **EPDM**

-40°C/90MPa **EPDM70** **EPDM90**

Application

Model of Hydrogen Station

(Tokiko techno Co., Ltd)

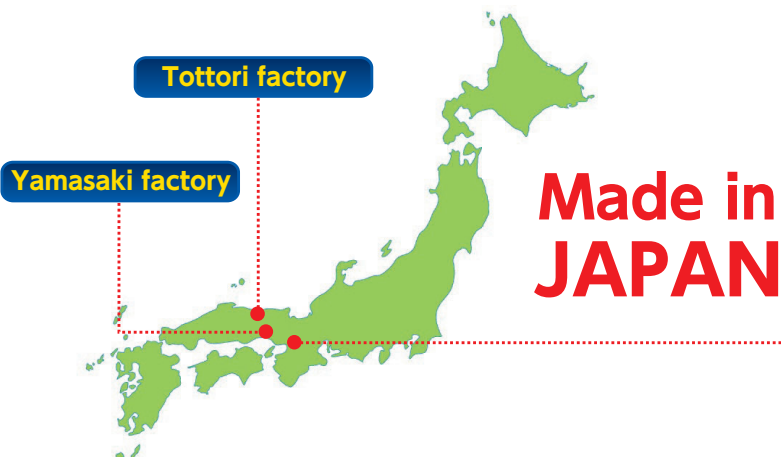

Breakway Device

Hydrogen-resistant
EPDM O-ring

This material has developed in the cooperate with Tokiko Techno, National Institute of Advanced Industrial Science and Technology, Kyushu-Univ.
Tokiko Techno, Toho Gas, AIST, Kyushu-Univ are the trustor consignor clients of NEDO.

Company

The specifications given in this brochure are subject to change without notice.
